## **3.0 RATIONALE FOR THE PROPOSED SHAREHOLDERS' MANDATE**

The Proposed Shareholders' Mandate will enable the CNH Group to carry out the Recurrent Related Party Transactions necessary for the Group's day-to-day operations, which are time sensitive in nature, and will eliminate the need to announce and convene separate general meetings (if applicable) to seek prior approval of shareholders for such transactions. This will substantially reduce the expenses associated with the convening of general meetings on an ad-

hoc basis, improve administration efficiency and allow manpower resources and time to be channelled towards attaining other corporate objectives.

The Recurrent Related Party Transactions carried out within the CNH Group creates mutual benefits for the companies in the Group, such as expediency and increased efficiency necessary for day-to-day operations.

In addition, the CNH Group benefits from the close working relationship with the Transacting Related Parties and the prompt and reliable services from them. These Transacting Related Parties also possess relevant experience and expertise in the fields which are required by the CNH Group in carrying out some of its day-to-day operations.

#### **4.0 EFFECTS OF THE PROPOSED SHAREHOLDERS' MANDATE**

**SHARE BUY-BACK STATEMENT IN RELATION TO THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY**

**1.0 INTRODUCTION**

At the 35<sup>th</sup> AGM of the Company held on 6 June 2024, the Board obtained the shareholders' approval for the authority to purchase its own shares of up to a maximum of ten per cent (10%) of the total number of issued shares of the Company. This authority which took effect upon passing of the ordinary resolution, will expire at the conclusion of the forthcoming 36<sup>th</sup> AGM of the Company unless it is renewed.

The Company had on 10 April 2025 announced to Bursa Securities that it proposes to seek the approval of its shareholders on the Proposed Renewal of Share Buy-Back Authority at the forthcoming AGM of the Company which will be held on 10 June 2025.

The purpose of this Statement is to provide you with details of the Proposed Renewal of Share Buy-Back Authority and to seek your approval for the ordinary resolution thereon to be tabled at the forthcoming AGM of the Company. An extract of the Notice of the 36<sup>th</sup> AGM is enclosed in this Statement for your ease of reference.

**YOU ARE ADVISED TO READ AND CONSIDER CAREFULLY THE CONTENTS OF THIS STATEMENT BEFORE VOTING ON THE ORDINARY RESOLUTION PERTAINING TO THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY.**

**2.0 DETAILS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY**

The Board proposes to seek approval from the shareholders of the Company for the renewal of authority to purchase and/or hold its own shares of up to a maximum of 10% of the total number of issued shares of the Company at any point in time subject to compliance with Section 127 of the Act, the Listing Requirements and any prevailing laws, rules, regulations, orders, guidelines and requirements issued by the relevant authorities at the time of purchase.

The issued share capital of the Company as at LPD is RM72,000,000 comprising 720,000,000 Shares. The maximum number of Shares which may be purchased by the Company shall not exceed 72,000,000 Shares. The purchase of own shares will be carried out on Bursa Securities through an appointed stockbroker.

The CNH Shares purchased by the Company may be dealt with by the Directors in accordance with Section 127 of the Act in the following manner:

- (i) to cancel the CNH Shares so purchased; or
- (ii) to retain the CNH Shares so purchased as Treasury Shares for:
  - (a) distribution as dividends to the shareholders of the Company;
  - (b) re-sell on Bursa Securities in accordance with the relevant rules of the stock exchange;
  - (c) transfer for the purposes of or under an employees' share scheme;
  - (d) transfer as purchase consideration;
  - (e) cancellation; or

- (f) sell, transfer or otherwise use for such other purposes as the Minister may by order prescribe; or
- (iii) to retain part of the CNH Shares so purchased as treasury shares and cancel the remainder.

The holder of the Treasury Shares shall not be conferred the right to attend or vote at meetings and the right to receive dividends or other distribution, whether cash or otherwise, of the Company's assets including any distribution of assets upon winding up of the Company. The Treasury Shares shall not be taken into account in calculating the number or percentage of shares or of a class of shares in the Company for any purposes including substantial shareholdings, take-overs, notices, the requisitioning of meetings, the quorum for a meeting and the result of a vote on a resolution at a meeting.

If the Company decides to cancel the shares purchased, it is required to make an immediate announcement on the day the cancellation is made providing the number of shares cancelled, the date of cancellation and the outstanding issued share capital of the Company after the cancellation. In the event the Company retains the shares purchased as Treasury Shares, the said shares may be dealt with in accordance with Section 127(7) of the Act.

The approval from the shareholders for the Proposed Renewal of Share Buy-Back Authority shall be effective upon the passing of the ordinary resolution proposed at the forthcoming AGM of CNH and shall continue to be in force until:

- (a) the conclusion of the next AGM of the Company at which time it shall lapse unless by ordinary resolution passed at the meeting, the authority is renewed, either unconditionally or subject to conditions;
- (b) the expiration of the period within which the next AGM after that date is required by law to be held; or
- (c) revoked or varied by ordinary resolution passed by the shareholders of the Company in general meeting,

whichever occurs first.

Pursuant to the Listing Requirements, the Company may only purchase its own shares at a price which is not more than 15% above the weighted average market price of CNH Shares for the past 5 market days immediately before the purchase(s). Under Paragraph 12.18 of the Listing Requirements, the Company may only resell the purchased shares held as Treasury Shares or transfer Treasury Shares pursuant to Section 127(7) of the Act at:

- (a) a price which is not less than the weighted average market price of CNH Shares for the 5 market days immediately before the resale or transfer; or
- (b) a discounted price of not more than 5% to the weighted average market price of CNH Shares for the 5 market days immediately before the resale or transfer provided that:
  - (i) the resale/transfer takes place not earlier than 30 days from the date of purchase; and
  - (ii) the resale/transfer price is not less than the cost of purchase of the shares being resold or transferred.

### **3.0 RATIONALE FOR THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY**

The Proposed Renewal of Share Buy-Back Authority will enable the Company to realise its financial resources not immediately required for use, to purchase its own Shares. The Proposed Renewal of Share Buy-Back Authority may enhance the EPS and reduce the liquidity level of the CNH Shares in Bursa Securities, which generally will have a positive impact on the market price of the CNH Shares.

The potential advantages of the Proposed Renewal of Share Buy-Back Authority to the Company and its shareholders are as follows:

- (a) allows the Company to take preventive measures against speculation particularly when its Shares are undervalued which would in turn stabilise the market price of CNH Shares and hence, enhance investors' confidence;
- (b) allows the Company flexibility in achieving the desired capital structure, in terms of debt and equity composition and the size of equity; and
- (c) as the CNH Shares bought back by the Company will be cancelled, the shareholders of the Company are likely to enjoy an increase in the value of their investment in the Company as the net EPS of the Company will increase.

The potential disadvantages of the Proposed Renewal of Share Buy-Back Authority to the Company and its shareholders are as follows:

- (a) The Proposed Renewal of Share Buy-Back Authority will reduce the financial resources of the CNH Group and may result in the CNH Group foregoing better investment opportunities that may emerge in the future; and
- (b) As the Proposed Renewal of Share Buy-Back Authority can only be made out of retained profit of the Company, it may result in the reduction of financial resources available for distribution to shareholders in the immediate future.

The Proposed Renewal of Share Buy-Back Authority, if exercised, will reduce the financial resources of the Company, but since the amount is not substantial, it will not affect the furtherance of the Company's business or payment of dividends. Nevertheless, the Board will be mindful of the interest of the Company and its shareholders in undertaking the Proposed Renewal of Share Buy-Back Authority and in the subsequent cancellation of the CNH Shares purchased.

### **4.0 RETAINED PROFITS AND FUNDING**

The Board proposes to allocate a maximum amount of not exceeding the Company's retained profits for the Proposed Renewal of Share Buy-Back Authority. Based on the Audited Financial Statements for the financial year ended 31 December 2024, the Company's audited retained profits amounted to RM11,291,017.

The Proposed Renewal of Share Buy-Back Authority is expected to be mainly financed by internally generated funds of the Group coupled with minimum bank borrowings. In the event borrowings are used to finance the Proposed Renewal of Share Buy-Back Authority, the Board will ensure that the Company has equivalent retained profits to repay the borrowings and that the repayment will not have a material effect on the cash flows of the Company. In addition, the Board will ensure that the Company satisfies the solvency test as stated in Section 112(2) of the Act before execution of the Proposed Renewal of Share Buy-Back Authority.

Depending on the quantum and the purchase price, the Proposed Renewal of Share Buy-Back Authority may reduce the working capital of the CNH Group.

## 8.0 PUBLIC SHAREHOLDINGS SPREAD

The Board is mindful of the requirement that the Proposed Renewal of Share Buy-Back Authority must not result in the number of CNH Shares which are in the hands of the public falling below 25% of the total listed shares of CNH. As at LPD, the public shareholdings spread of the Company was 41.74% of its total number of issued shares, excluding Treasury Shares. The proforma effects of the Proposed Renewal of Share Buy-Back Authority on the public shareholdings spread of the Company assuming the Proposed Renewal of Share Buy-Back Authority is carried out in full and there is no change in Shares held by Directors, Substantial Shareholders and Persons Connected to them are as follows:

	Public shareholdings	
	No. of Shares	%
As at LPD <sup>(1)</sup>	299,929,752	41.74
<u>After the Proposed Renewal of Share Buy-Back Authority:</u> Scenario <sup>(2)</sup>	229,429,752	35.41

Notes:

- (1) Taking into consideration the 1,500,000 Shares in the Company's Share Buy-Back Account retained as Treasury Shares as at LPD
- (1) Assuming that 70,500,000 Shares (being the maximum number of Shares that could be purchased i.e. 72,000,000 Shares excluding 1,500,000 Treasury Shares in the Company's Share Buy-Back Account as at LPD) are bought back and subsequently retained as Treasury Shares

## 9.0 IMPLICATION RELATING TO THE RULES

Pursuant to the Rules, a person or a group of persons acting in concert will be required to make a mandatory general offer if his/their stake(s) in the Company is/are increased to beyond 33% of its total number of issued shares or if his/their existing shareholding(s) is/are more 33% but less than 50% and it exceeds by another 2% in any six (6) months' period.

In the event that the share buy-back exercise results in the shareholdings of any of the above parties being affected, the said person or group of persons acting in concert will be obliged to make a mandatory general offer for the remaining CNH Shares not held by him/them. However, an exemption from a mandatory offer obligation may be granted by SC under the Rules, subject to the affected person and the parties acting in concert complying with certain conditions, if the obligation is triggered as a result of action outside their direct participation.

As it is not intended for the share buy-back exercise to trigger the obligation to undertake a mandatory general offer by any of its Substantial Shareholders and/or parties acting in concert with them, the Company is mindful that only such number of shares are purchased, retained as Treasury Shares, cancelled or distributed such that the Rules will not be triggered. However, in the event that an obligation to undertake a mandatory offer should arise with respect to any parties from the share buy-back exercise, the relevant parties shall make necessary application to SC for an exemption from undertaking a mandatory offer under the Rules before a mandatory offer is triggered.

## 10.0 EFFECTS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The effects of the Proposed Renewal of Share Buy-Back Authority on the share capital, net assets and earnings of the CNH Group, assuming purchase of own shares up to the maximum 10% of the total number of issued shares of CNH, are set out below:

### 10.1 Share Capital

In the event the Proposed Renewal of Share Buy-Back Authority is implemented in full and all Shares purchased are subsequently cancelled, the proforma effects of the Proposed Renewal of Share Buy-Back Authority on the issued and paid-up share capital of CNH as at LPD are as follows:

	No. of Shares	RM
Existing total number of issued shares as at LPD	720,000,000	72,000,000
Shares purchased amounting to 10% of total number of issued shares pursuant to the Proposed Renewal of Share Buy-Back Authority and cancelled	72,000,000	7,200,000
Total number of issued shares after the Proposed Renewal of Share Buy-Back Authority	648,000,000	64,800,000

However, in the event that all CNH Shares purchased are retained as Treasury Shares, the Proposed Renewal of Share Buy-Back Authority will not have any effect on the issued and paid-up share capital of CNH.

### 10.2 Net Assets

The Proposed Renewal of Share Buy-Back Authority may increase or decrease the net assets per share of the CNH Group depending on the purchase price of the shares bought back in comparison to the net assets per share of the CNH Group at the time that the shares are purchased.

In the event the shares which are retained as Treasury Shares and resold, the net assets of the CNH Group will increase or decrease depending on whether a gain or a loss is realised upon the resale. The quantum of the increase or decrease in net assets will depend on the actual disposal price and the number of shares purchased, retained as Treasury Shares, which are resold.

### 10.3 Working Capital

The Proposed Renewal of Share Buy-Back Authority will reduce the funds available for working capital purposes of the Company, the quantum of which depends on the purchase price(s) of the CNH Shares, the actual number of purchased shares and any associated costs incurred in making the purchase.

### 10.4 Earnings and EPS

The effects of the Proposed Renewal of Share Buy-Back Authority on the EPS of the CNH Group will depend on, inter-alia, the actual number of shares bought back and prices paid and the effective cost of funding to the CNH Group, or any loss in interest income to CNH.

In the event the shares which are retained as Treasury Shares are resold, the extent of the effect on earnings of the CNH Group will depend on the actual selling prices, the number of Treasury Shares resold and the effective gain or interest savings arising therefrom.

#### **11.0 APPROVAL REQUIRED**

The Proposed Renewal of Share Buy-Back Authority is subject to the approval of the shareholders of CNH at the forthcoming 36th AGM.

#### **12.0 DIRECTORS' RECOMMENDATION**
